Foreword

Hello, isya here.
My specialty is fantasizing
about HibiKana sex once a day.

So here you have a story centered
around HibiKana's honeymoon.
They were successfully married (in my mind) in
"Sweet Box", so I figured the next step was for
them to go on a honeymoon. After thinking up all
sorts of different sexy fantasies, I have no idea
when it happened, but I was able to put out an
entire book! It's strange! I only started
drawing this a week before the event, but I hope
you find at least some enjoyment from it!

Hibiki!
Hibiii-kiiiii!!!
Come on, get up! It's past noon already!
How many times have you said that now!? I've been waking you up again and again since morning!
Zzzz
nnn... Just five more minutes...
We're on vacation today, so it should be okay to sleep in.
It's not okay!
This is our precious honeymoon, and yet all you've been doing is sleeping!!
Cut it out already!!
The Southern Islands

Booo... Kanade, you big dummy... What's so wrong about taking it easy once in a while?
What are you talking about!? Our honeymoon is over in half a day!
Honestly, Hibiki, you've done nothing but sleep the instant we get back to our hotel room!

Day Four
Right now!!
I tried to wake you last night, but you wouldn't get up at all...
I thought we would be making plenty of fond memories together...
Whisper
I do
I'm going to go do some shopping
Whatever! I don't care about what you want to do anymore!
...

GRIN
You're feeling a little sexually frust-rated, aren't you?
GRIN
I see, Kanade... Ever since we arrived we haven't had sex a single time...
...Hibiki?
Ahhh.. Okay, fine. I get it.
What ....!?
Y-You idiot! That's not...!
Oh? Then why did you try to wake me up last night?
That was... because... I wanted to go to the hotel's bar with you...!
... Kanade.
Kyaa hhh!

...
Hibi...
This is our precious honey-moon, right?
Don't you think it would make a nice memory to have sex in an unusual place once in a while?

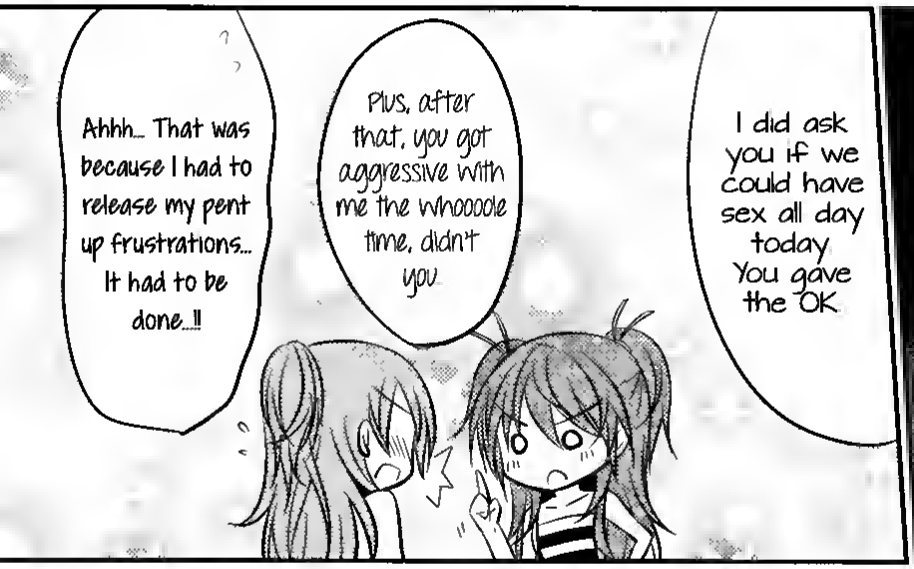
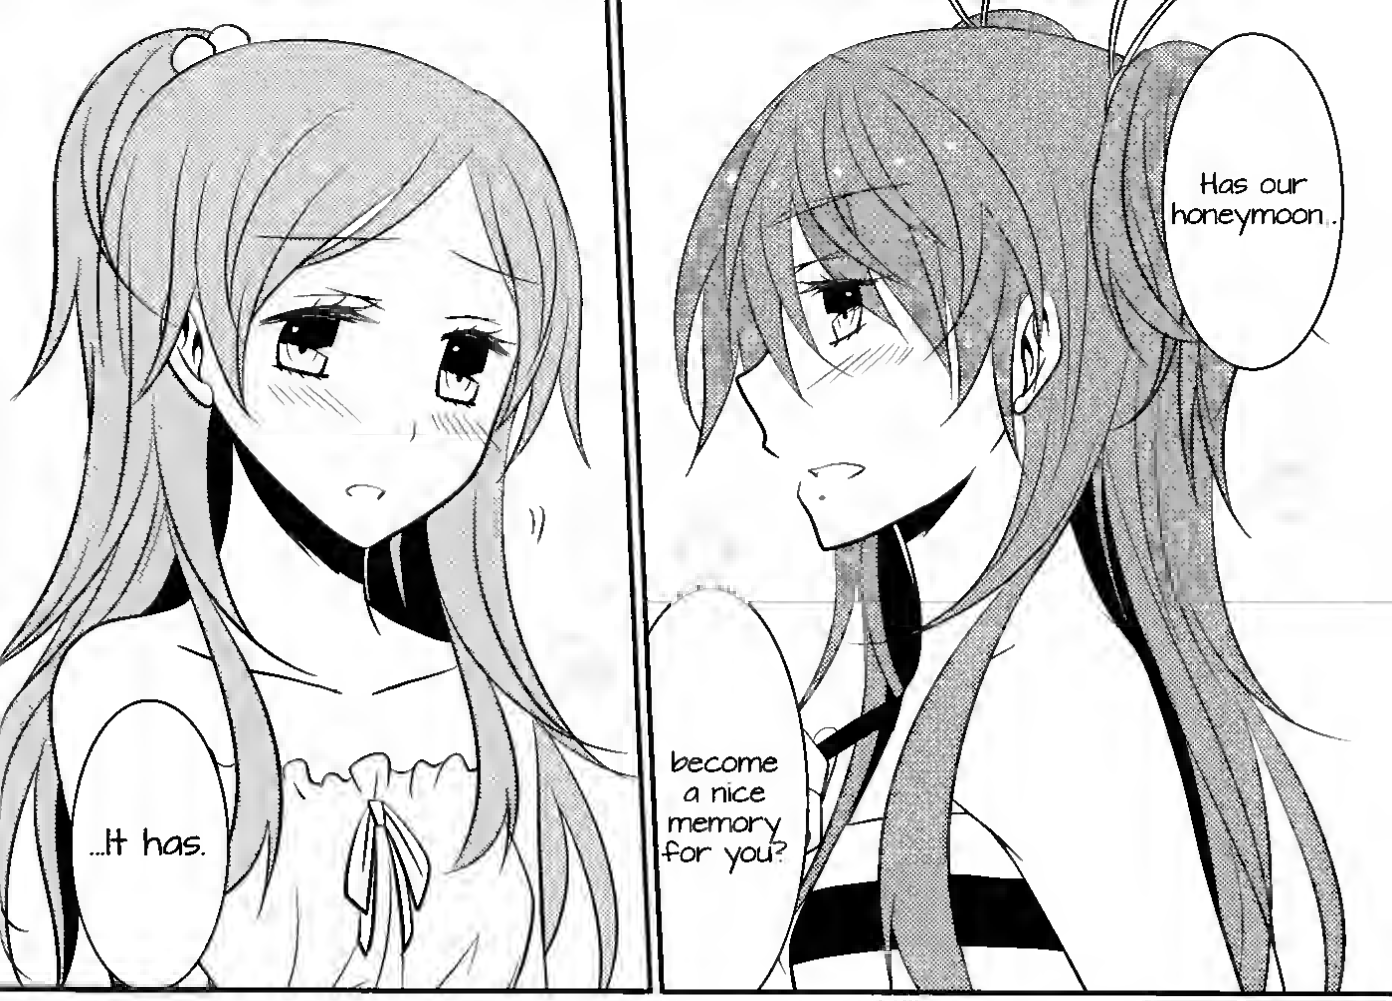
Yes, I will
I love you, Kanade
Not just today...
Will you keep having sex with me from now on... forever and ever?

Ahh...
Stuuuupid!! Idiot! Jerk! Duuuum- mmyyyyy!!



Ahhh... That was because I had to release my pent up frustrations... It had to be done...!!
Plus, after that, you got aggressive with me the whoooole time, didn't you
I did ask you if we could have sex all day today You gave the OK

After all that, we were never able to go shopping!! Now what are we going to do about souve- nirs!?
Ehh? Well...
Anyway, we can buy souvenirs at the airport
Ugh... Well... I suppose you're right.
More import- antly..



Thank you for everything, Hibiki..

I should thank you too, Kanade! I'm really happy that we came here together!

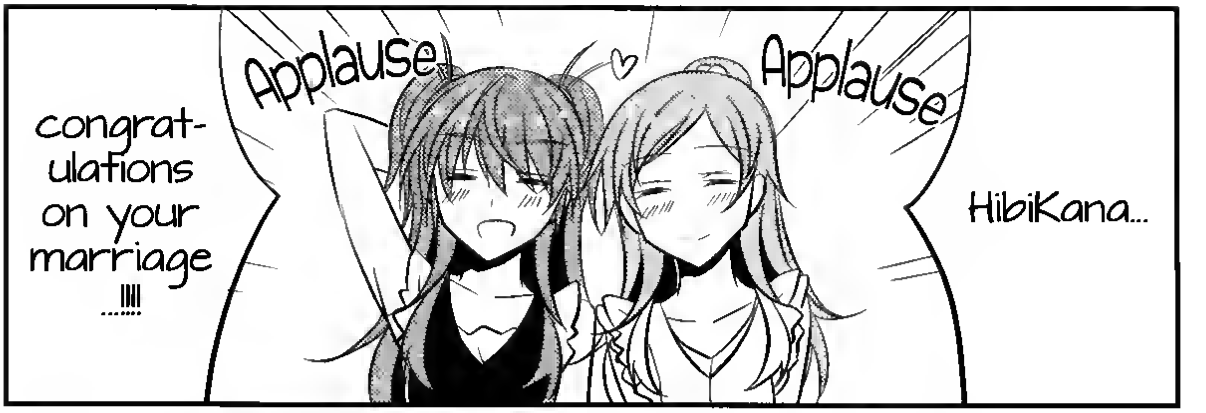
This post-sex picture of ours should count as one of those nice memories, then.

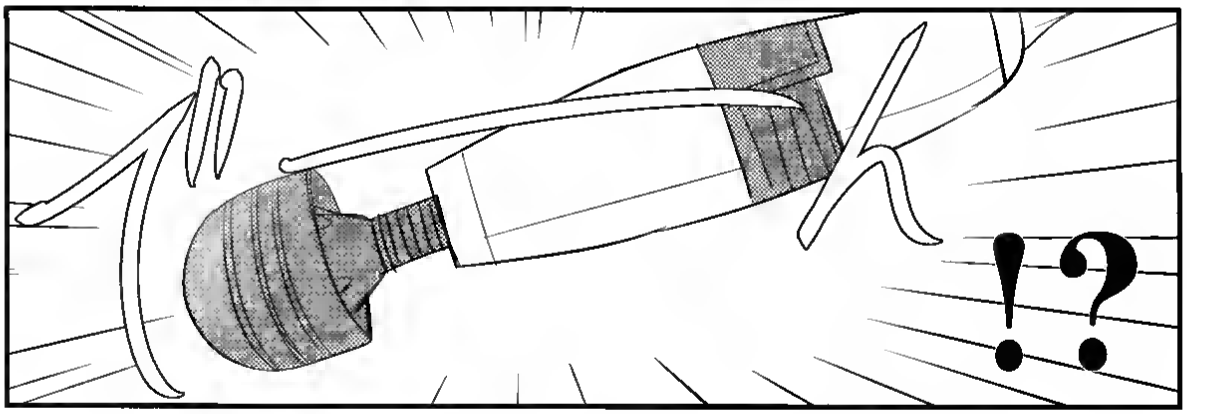
!?! What is that!? When did you take that picture!?

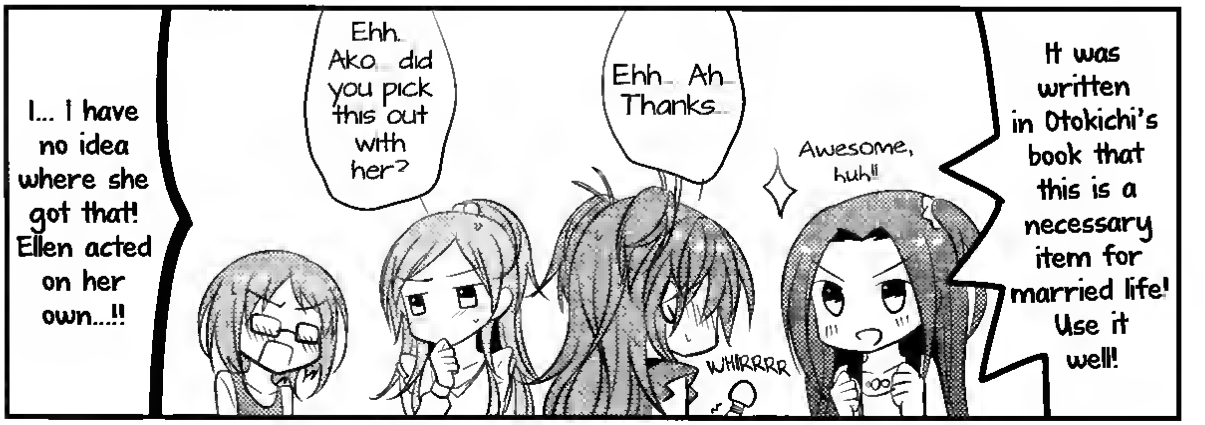
I took it after you passed out from sex-exhaustion, Kanade! Maybe I should set this as my mobile phone's wallpaper as well!

Absolutely not!! Get rid of that right now!! Hiiiibiii-kiiiiii!!!

■If Ellen picked out a marriage present...







Afterword

I wrote this on the spur of the moment one week before the doujin event "Rainbow Flavor 7". I did this after getting the idea of Hibiki forcing Kanade to say "Please put your fingers inside me!" after she devotedly stimulates Kanade through her panties. Kanade gets stimulated through her panties, occasionally getting them pulled aside and trembling, only to not be touched directly.
Having to wait for it drives Kanade crazy...!
pant *pant* Kanade all flustered is delicious, huh!?!?

This will be the final HibiKana book released on its own.
From now on, I'll draw HibiKana occasionally in compilation books that feature numerous other older PreCure couplings.
(Though, that said, feel free to laugh at me if I release another HibiKana book next year!!).

See you again!
